The musical score is written for a full orchestra. It consists of nine staves. The first four staves (measures 240-250) are for a single melodic line, likely a violin or flute. The next five staves (measures 251-254) are for a full orchestral ensemble, including strings, woodwinds, and brass. The key signature is D major (two sharps) and the time signature is 3/4. The score shows a complex arrangement of parts, with some measures featuring triplets and dynamic markings like 'f' (forte). The measures are numbered 240, 243, 246, 250, and 254. The score ends with a double bar line and repeat signs.

1. la fonte del Concerto per la Solennità di San Lorenzo RV 562 è il ms. delle parti Mus.2389-O-94 nella trascrizione di Pisendel del 1716-17, disponibile in forma digitale presso la Biblioteca SLUB Dresden, Rism A/II-212000216;

2. il curatore ha trascritto scrupolosamente il manoscritto originale, piuttosto accurato. Nel secondo movimento, evidentemente eseguito a tempo libero, Pisendel ha trascurato di indicare con precisione la durata delle note. La trascrizione propone una versione di questo movimento che tiene conto della effettiva durata delle note. Nel terzo movimento è inclusa la cadenza tratta da Pisendel dal concerto RV 212 e riportata nelle prime due pagine del ms. Negli altri movimenti i rari interventi dell'editore sono indicati tra () o [];

3. la copertina contiene l'incipit del secondo movimento tratto dal manoscritto;

4. la versione 1.0 è stata completata il giorno 20 dicembre 2011.

1. The source of „Concerto per la Solennità di San Lorenzo“ is a ms. of parts Mus.2389-O-94 transcribed by Pisendel (1716-17) available at the digital library SLUB, Dresden, Rism A/II-212000216;

2. this source is almost flawless. However, in the second movement Pisendel neglected to specify the exact duration of notes. The transcription suggests a version of this movement that takes into account the actual duration of the notes. In the third movement Pisendel included the cadence of the concert RV 212. In the other movements the rare editor corrections are enclosed between () or [];

3. cover page includes incipit of 2nd movement extracted from ms.;

4. version 1.0 was completed on December 20, 2011.
